Archdiocesan Policy for Youth Activities (rev. 7-9-2020)

Parental rights, good administration, and youth protection dictate that the appropriate sharing of information and granting of permissions be involved when youth participate in parish and school activities.

The Archdiocese of Cincinnati has developed the following Permission, Release, and Authorization to Seek Medical Treatment Form, Medical Information Form, and Activity Information Form (collectively, the "Forms") to satisfy these needs. These Forms are mandated for use in the parishes and schools of the Archdiocese.

The following information is required and must be documented, whether a child is registering for an ongoing program or for a single activity.

- 1. Name of student;
- 2. Name of parish and school;
- 3. Name of adult(s) in charge of activity;
- 4. Date of activity or regular time for program;
- 5. Location of activity or program;
- 6. Telephone number where youth can be reached in case of a family emergency;
- 7. Telephone number to reach parent/guardian in the event of an emergency;
- 8. Starting time or date, ending time or date of activity or program;
- 9. General description of program or activities which are involved;
- 10. Method of transportation (if any); and
- 11. Cost (if any).

The signed and completed Forms are to be maintained throughout the duration of the activity or program and should be kept by the parish and school for not less than two years following the conclusion of the activity or program. The signed and completed Forms may be scanned and saved electronically to the school/parish server. When an accident or injury of any kind occurs, the signed and completed Forms should be kept indefinitely. A designated adult involved in the activity or program must have access to the signed and completed Forms.
